## Notions That Must Be Corrected

**“must have” tote bag - united notions** - “must have” tote ba. g. please read all instructions before beginning. this “must have” tote for all occasions is made with an attractive floral vinyl outside and a coordinating cotton fabric lining and binding. the top rolls up for extra size, plus the handles easily slip over your shoulder for easy carrying. don’t be caught without **how exceptional are western notions of individualism and t** - i must never sacrifice moral principles or essential work to ‘posing,’ to convivial Stimmung, etc. my main task must be work. ergo: work!” - so reads an extract from Bronislaw Malinowski’s diary during his fieldwork among the Trobrianders<sup>1</sup>. this essay examines differences between notions of the person in what are conventionally described **two notions of naturalness - philsci-archive.pitt** - two notions of naturalness and suggest that recognizing this distinction undermines one recently suggested source of evidential support for a multiverse. 2 naturalness and the autonomy of scales i want to begin by briefly describing two important episodes from 20th century physics in which different problematic aspects of elementary scalar particles **ae5 security notions - web.ucdavis** - changes, all security notions must ipso facto change. maybe this doesn’t matter if it is obvious how to adjust the security notions to match the changed syntax. but we believe that it is not, that different people would follow different paths, ending up with inequivalent definitions. thus **addressing diversity in schools: culturally responsive ...** - classroom, teachers must have an appreciation of diversity. they must view difference as the “norm” in society and reject notions that any one group is more competent than another. this entails developing respect for differences, and the willingness to teach from this perspective. moreover, there must be an **notions of information: a review of literature** - know which information notions exist. a sound theoretical basis must be able to explain (may be even integrate) these information notions. structure to get a first impression of how information is used in various sciences, a short introduction to different approaches of information is given in chapter 1. this is done on the basis of Newman (2001). **cultural and diversity considerations** - cultural and diversity considerations 2 four elements for cross-cultural communication 1. awareness of one’s own cultural values • are you attentive to your own preconceived notions of other cultural groups? 2. awareness and acceptance of cultural differences • do you look for opportunities to meet and interact with individuals who are from **section 1.1: basic logical notions - welcome to theaetetus** - section 1.1: basic logical notions definition: an argument consists of • a set of sentences known as the premises, and • a single sentence, known as conclusion. comment: the sentences in an argument must all be declarative sentences, that is, sentences capable of being true or false, as opposed to imperatives (commands) like “do your homework” and
